

IT'S ALWAYS A GOOD IDEA TO CLEAR THE AIR

Brushless Lavatory Fan Upgrade Kit

Lavatory fans are essential to ensuring interior air is fresh for everyone on board. With a brushless motor that is longer-lasting, more powerful and more efficient at purging air from the cabin, you can keep things moving forward.

- Updated technology uses magnets to generate power, decreasing friction and increasing durability
- Promotes air quality and passenger comfort
- Purges air from the cabin promoting air flow
- Replaces part 562167 or assembly 870844
