PREVOST.
THE 'ULTIMATE' CLASS

The world leader in bus shells for conversion.

PrevoSt manufactures 'Ultimate' Class bus shells for all types of conversion:
 CORPORATE COACH | MOTORHOME | ENTERTAINER | SPECIALTY CONVERSION

- Custom designed bus wraps to represent and communicate your company image and message
- Impressive variety of interior layouts
- Executive conference area with plasma screens for on board presentations
- Built-in area network for easier collaboration with business associates
- Well-appointed gallery with complete kitchen allowing on board catering
- Outdoor entertainment center with electrical awning

Corporations have discovered that PrevoSt coach shells for high-end conversion are the most effective way to combine their transportation and marketing needs. The completely smooth-sided **PrevoSt H3-45 VIP** and the stainless steel **XLII-Series** make for a particularly distinctive and highly memorable brand image.

Converted as a mobile hospitality suite, conference room, technical training center, virtual product showroom, or as an executive motorhome, PrevoSt corporate coaches always make the right impression.

Nation wide service network includes company-owned full-service centers and 24/7 roadside assistance.
